TO

RAILWAY TRAVELLERS.

You will save money by purchasing your Tickets before entering the cars.

CHECK YOUR BAGGAGE and the Company will then be responsible for it. Baggage in Passenger Cars is a source of anxiety to the owner : causes inconvenience to others ; and is unsightly and altogether out of place.

Baggage can be checked *through* from places in Canada to the United States and *vice versa* ; but in such cases the law requires each Passenger to point out his Baggage to the Customs' Officer at the Frontier Station, in order that it may be examined.

The following is a list of Custom House Stations :—

	<i>American.</i>	<i>Canadian.</i>
Between PORTLAND and MONTREAL	ISLAND POND...	COATICOOKE
“ NEW YORK or BOSTON and MONTREAL.....	ROUSE'S POINT & ST. ALBANS.....	ROUSE'S POINT & ST. ARMAND

“ NEW YORK or BUFFALO and DETROIT or CHICAGO.....	BUFFALO PORT HURON	PORT ERIE SARNIA
“ TORONTO and DETROIT.....	PORT HURON	SARNIA

Avoid altercations with Conductors or other Employés of the Company. If you have a grievance make it known by letter to the Managing Director at Montreal and you will obtain redress. Conductors have very responsible and arduous duties to perform on the journey, which require the utmost diligence on their part, and they have not time to enter into long discussions.

IT IS DANGEROUS to stand on the platform of cars or move from one car to another, or attempt to get on or off whilst the Train is in motion. Heads and arms are safest when they are *inside* the car windows.

THE INTRODUCTION OF PERRY DAVIS' PAIN KILLER!

TO THE SUFFERING HUMANITY OF THIS AGE,

Has relieved more Pain, and caused more real Joy than any one thing that can be named

IT IS A "BALM FOR EVERY WOUND."

Our first Physicians use it, and recommend its use; the Apothecary finds it first among the medicines called for, and the Wholesale Druggist considers it a leading article of his trade. All the dealers in medicine speak alike in its favor; and its reputation as a Medicine of Great Merit and Virtue is fully and permanently established, and it is

THE GREAT FAMILY MEDICINE OF THE AGE.

Every Traveller should have a Bottle, in case of Sudden Attacks of Disease.

TAKEN INTERNALLY IT CURES Sore Throat, Sudden Colds, Coughs, &c., Weak Stomach, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in Stomach, Bowel Complaint, Painters' Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY IT CURES Felons, Boils and Old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swellings of the Joints, Ringworm and Tetter, Broken Breast, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia, and Rheumatism.

PAIN KILLER taken internally should be adulterated with milk or water, and sweetened with sugar, if desired, or made into a syrup with molasses. FIRE and LIFE INSURANCE Business transacted on the most favorable terms.
Short period GRAIN and other risks, taken on advantageous terms and at moderate rates.

The Directors having received instructions from the Home Office to introduce the Life Branch of this Company in Canada, have much pleasure in stating that they are now prepared to grant Life Policies and Annuities, and to secure to their clients all the benefits derivable from the system of Life Assurance.

The high position and large patronage hitherto enjoyed by the Company in the Fire Department will, it is hoped, aid in securing for it a share of Life risks.
